

FROM THE PRINCIPAL

Dear Parents and Community Members,

Dear Parents and Community Members,
In the 2014-2015 school year, Hamilton Creek School did not receive a rating this school year, as they were not provided by the Oregon Department of Education due to the first time testing of the Smarter Balanced Assessment. As a school we were very close to the state average in both English/Language Arts and Math. The staff at Hamilton Creek works hard to ensure that every child has a positive and enriching learning experience. As a Title I school, our students receive resources designated to provide enrichment and support in literacy and math.

The 2015-2016 school year will be year two of the Smarter Balanced Assessment. The Smarter Balanced Assessment focuses on testing the Common Core State Standards (CCSS), which will have a strong emphasis on literacy across all content areas. You can help by

monitoring homework, attending parent/teacher conferences, volunteering in our school, and making sure your child has good regular attendance.

We look forward to partnering with you over the coming school year and look forward to every child having an enriching and rewarding experience.

Thank You!!

Principal, Geno Bates

Thank you,

STUDENTS

OVERALL SCHOOL RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.
