

**FROM THE PRINCIPAL**

Dear Parents and Community Members,

Pioneer School is a K-8 Title I school and receives resources designated to provide extra support in literacy and math. Pioneer is a Positive Behavior and Interventions Support (PBiS) school. We teach, model, and expect students to abide by three Pioneer School Rules: Be Safe, Be Respectful, Be Responsible. Through solid routines and procedures we create a positive, respectful environment.

Pioneer is excited to begin training our middle school with AVID (Advanced Via Individual Determination) strategies focusing on college readiness for all students, especially those traditionally underrepresented in higher education. Students learn

note-taking, organization, and collaboration skills they need to begin thinking about their educational path to college. Families can partner with our school by monitoring student attendance and homework, attending parent-teacher conferences, or volunteering. Thank you for your willingness to join with us as we continue to make Pioneer School a school we are all proud of.

Thank you,  
Tonya Cairo, Pioneer Principal

Thank you,

Principal | Tonya Cairo

**OVERALL SCHOOL RATING** HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

**The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.**
