

## FROM THE PRINCIPAL

Dear Parents and Community Members,

At Green Acres we believe all students can achieve success in their pursuit of becoming career and college ready. We provide a safe environment where every child is supported to take charge of their education and can reach his or her potential. We acknowledge the worth of every individual, understanding that each person can make a difference in the world. We collaborate with our diverse community in the education of all of our children.

Green Acres School is a K-5 and Title I school and receives resources to provide extra support in literacy and math. Green Acres is a Positive Behavior and Interventions Support (PBIS) school and through solid routines and procedures we strive to create a safe, positive and respectful environment. We teach, model and expect students to follow the Green Acres School Expectations of: Be Safe, Be Respectful, Be Responsible and Be Kind. We believe in being partners with our students' families and in working together to ensure student success. We strongly encourage families to monitor student attendance and homework, actively communicate with teachers, attend parent teacher conferences, and volunteer

This year, Green Acres is excited to be working towards becoming an AVID (Advancement Via Individual Determination) elementary school promoting college and career readiness. Our teachers will be utilizing instructional strategies that engage students in learning making college readiness a reality for every student. There will be opportunities for families to learn more about our AVID program through upcoming school and district events

We look forward to partnering with you to help your student have an exceptional 2016-2017 school year.

Amanda Plummer, Green Acres Principal 2016-17

Thank you,

Principal | Amanda Plummer
