

## FROM THE PRINCIPAL

Dear Parents and Community Members,

In the 2015-2016 school year, Hamilton Creek School received a rating of a Level 4 in the areas of Academic Achievement and Academic Growth, and a Level 3 rating in Student Group Growth with a Level 5 being the highest level. As a school we were very close to the state average in both English/Language Arts and Math. The staff at Hamilton Creek works hard to ensure that every child has a positive and enriching learning experience. As a Title I school, our students receive resources designated to provide enrichment and support in literacy and math. The 2016-2017 school year will be year three of the Smarter Balanced Assessment. The Smarter Balanced Assessment

focuses on testing the Common Core State Standards (CCSS), which will have a strong emphasis on literacy across all content areas. You can help by monitoring homework, attending parent/teacher conferences, volunteering in our school, and making sure your child has good regular attendance. We look forward to partnering with you over the coming school year and look forward to every child having an enriching and rewarding experience.

Thank you,

Principal | Geno Bates
