Orig. Code(s): CC

Administrative Organization

The Board's management authority will be delegated through the superintendent to the administrative staff as shown in the organizational structure chart of the district.

Lines of authority on the chart represent direction of authority and responsibility.

The superintendent may reorganize lines of authority and revise the organizational chart, and create or eliminate positions subject to Board approval. The Board expects the superintendent to keep the administrative structure current with the needs for supervision and accountability within the school system.
