Administrative Regulations

The Board delegates to the superintendent the function of developing administrative regulations to operate the district in accordance with Board policy.

The superintendent will carefully weigh the counsel given by representatives of staff, student body and community organizations regarding those administrative regulations.

Board members will receive copies of all new or revised district regulations.

The Board will adopt regulations when federal and state laws require the Board to do so. It may also adopt regulations when the superintendent recommends Board action.

The Board reserves the right to review all administrative regulations and procedures, but it will revise them only when, in the Board's judgment, they are inconsistent with policies and regulations set by the Board. Students and staff will be advised of all regulations affecting them.
