Security of Buildings and Grounds

Buildings constitute one of the greatest capital investments of the district and should be protected. Security includes:

1. Minimizing fire or other safety hazards;
2. Reducing the probability of faulty equipment;
3. Keeping records and funds in a safe place;
4. Protecting against vandalism and burglary;
5. Controlling keys by the supervisor.

The superintendent is directed to establish regulations as may be needed to provide for security of buildings and grounds.

Incidents of illegal entry, theft of school property, vandalism or damage to school property from any cause shall be reported by phone to the office of the superintendent and to the appropriate law enforcement agency as soon as discovered. A written report of the incident shall be made within 24 hours of discovery and forwarded to the superintendent's office.
