

## **Crisis Prevention and Response**

### **Purpose**

The Board is committed to promoting healthy human relationships and learning environments that are physically and psychologically safe for all members of the school community. It further believes that students are the first priority and they should be protected from physical and emotional harm during district activities, and on district grounds, buses or field trips while under district supervision.

### **General Anti-Violence Strategies**

1. The district shall strictly enforce its weapons policy.
2. The district shall act promptly in investigating all acts of both a formal and informal nature in the area of complaints related to violence, hazing, harassment, intimidation or other menacing acts, and take appropriate disciplinary action against any student, staff member or individual who is found to have violated Board policy, administrative regulation or school rule.
3. The superintendent will annually review violence-related policies and submit revisions as necessary to the Board for review and adoption.
4. The administration will implement approved violence prevention strategies to promote safe and secure learning environments, to diminish violence in its schools and to aid in the protection of students and staff whose health or welfare may be jeopardized through acts of violence.

### **Specific Anti-Violence Measures**

The superintendent shall establish an advisory committee (District Safety Committee - DSC) whose function shall be the annual review of district safety and security procedures and the recommendation of a comprehensive district Crisis Prevention and Response Plan.

1. The District Safety Committee (DSC) shall be composed of, but not limited to, the following representatives:
  - a. Administrators;
  - b. Law enforcement agency;
  - c. School staff.

2. To effectively review, analyze and make recommendations to the administration about safety, security and crisis prevention and response, the DSC shall:
  - a. Review the district's emergency communication network and periodic system testing schedule;
  - b. Identify staff development and training in emergency procedures, crisis intervention and violence response;
  - c. Identify parent and community strategies targeted at violence prevention;
  - d. Review and analyze the annual building safety and security assessments conducted by the administration;
  - e. Identify available anti-violence curriculum such as pro-social skills, conflict resolution, law-related education and good decision making;
  - f. Review related policies and administrative regulations including, but not limited to:
    - (1) Staff-student relations;
    - (2) Community relations;
    - (3) News media relations;
    - (4) Public conduct on district property;
    - (5) Security;
    - (6) Relations with government agencies;
    - (7) Classroom interruptions;
    - (8) Weapons;
    - (9) Sexual harassment;
    - (10) Parent relations;
    - (11) Student dress and grooming;
    - (12) Secret societies/gangs;
    - (13) Hazing, harassment, intimidation and menacing;
    - (14) Substance abuse;
    - (15) Search and seizure;
    - (16) Student demonstrations;
    - (17) Emergency closures and drills;
    - (18) Building inspections;
    - (19) Vandalism;
    - (20) The use of video cameras on campus.

Administrators will conduct a site specific annual assessment of safety and security and will submit a report to the DSC complete with findings and recommendations including an analysis of, but not limited to, the following:

1. Student conduct and discipline;
2. The maintenance of public order on district property;
3. The banning of weapons on district property and within school zones;
4. Search and seizure;

5. Building security and accessibility;
6. Coordination with law enforcement agencies and media;
7. The implementation of a crisis management team;
8. Staff and student training.

Students will be trained through approved curriculum to take responsibility for reporting suspicious individual or unusual activities on school grounds, and to practice personal conflict resolution techniques.

The district shall establish a crisis management team for responding to unforeseen incidents such as bomb threats, shooting or natural disasters.
