Present Proposed 2015-2016 Budget – Linda Darling

Business Director Linda Darling walked the Budget Committee through the proposed budget. She shared the budget assumption for 2016-17. She explained the changes to the State School Fund calculation along with flat student growth in Lebanon has resulted in a decrease in anticipated allocation. The beginning fund balance is less than in prior year and the increase to the General Fund revenue from 2015-16 to 2016-17 is \$41,425. This is far less than the anticipated 1.6% increase in year 2 of the biennium

Linda explained the Expenditures: 1) Staffing increases, 2) Legislative changes, 3) Sand Ridge decrease of students, 4) Homeless program, 5) Contracted services for speech and language, 6) Adoption of Math and Language Arts, 7) AVID program, 8) Custodial services, and 9) CTE and Vocational House.
